

Fixed Asset Management

Department:	Finance	Owner:	Controller
Version:	1.8	Doc ID:	SOP-FIN-005

1. Purpose

Define the capitalization, depreciation, and disposal process for company fixed assets.

2. Scope

All assets with a useful life over 1 year and cost over \$2,500 (capitalization threshold).

3. Procedure

Step 1: Initiation & Request

Relevant stakeholder submits request through the designated channel. Initial review conducted by Finance team within 1 business day. Assign ticket or tracking ID to request.

Step 2: Review & Validation

Verify all required information and supporting documentation is present. Conduct initial assessment against policy requirements. Flag any missing information and request from submitter.

Step 3: Processing & Execution

Authorized Finance team member processes the request following all applicable policies. Document all actions taken with timestamps. Escalate to supervisor if exceptions arise.

Step 4: Approval Workflow

Route to appropriate approver based on type and threshold. Approver reviews within SLA and approves, rejects, or returns for revision. Document approval decision in system of record.

Step 5: Completion & Communication

Notify requestor of outcome via official communication channel. Update all relevant systems and records. File documentation per retention policy.

Step 6: Quality Check & Closure

Verify all checklist items complete. Close request and capture any feedback. Escalate unresolved issues to manager.
