## 1. Purpose

Define the process for engaging, documenting, and paying independent contractors and freelancers.

## 2. Scope

All independent contractors and freelancers engaged by the company.

## 3. Procedure

### Step 1: Initiation & Request

Relevant stakeholder submits request through the designated channel. Initial review conducted by Finance team within 1 business day. Assign ticket or tracking ID to request.

### Step 2: Review & Validation

Verify all required information and supporting documentation is present. Conduct initial assessment against policy requirements. Flag any missing information and request from submitter.

### Step 3: Processing & Execution

Authorized Finance team member processes the request following all applicable policies. Document all actions taken with timestamps. Escalate to supervisor if exceptions arise.

### Step 4: Approval Workflow

Route to appropriate approver based on type and threshold. Approver reviews within SLA and approves, rejects, or returns for revision. Document approval decision in system of record.

### Step 5: Completion & Communication

Notify requestor of outcome via official communication channel. Update all relevant systems and records. File documentation per retention policy.

### Step 6: Quality Check & Closure

Verify all checklist items complete. Close request and capture any feedback. Escalate unresolved issues to manager.
