

Employee Offboarding Procedure

Department:	Human Resources	Document Owner:	HR Operations Manager
Version:	3.1	Effective Date:	2024-02-01
Document ID:	SOP-HR-001	Review Cycle:	Annual

1. Purpose

To ensure a consistent, compliant, and respectful process for managing employee departures, whether voluntary or involuntary.

2. Scope

All separating employees including resignations, terminations, retirements, and contract completions.

3. Procedure

Step 1: Receive Separation Notice

HR receives resignation letter or manager initiates termination process. Log separation date and reason in HRIS system. Notify IT, Payroll, and Facilities within 1 business day.

Step 2: Initiate Offboarding Checklist

Create offboarding ticket in the HR portal. Assign tasks to: IT (account deactivation), Payroll (final paycheck), Facilities (access card return), and direct manager (knowledge transfer).

Step 3: Conduct Exit Interview

Schedule exit interview 5–7 days before last day. Use standardized exit interview form. Document feedback confidentially. Summarize themes for quarterly HR review.

Step 4: Knowledge Transfer

Employee documents ongoing projects, key contacts, and system logins in the knowledge transfer template. Manager reviews and approves completeness. Store documentation in department SharePoint folder.

Step 5: IT Access Revocation

On last day, IT disables all accounts within 2 hours of end of shift. Retrieve company devices, access cards, and equipment. Forward email for 30 days per department policy.

Step 6: Final Payroll Processing

Payroll calculates final paycheck including accrued PTO per state law. Process COBRA paperwork within 14 days. Issue final W-2 by January 31 of following year.

Step 7: File Management & Closure

Archive employee records per retention policy (7 years). Remove from all distribution lists and org charts. Update HRIS to reflect separated status.
